

RABBIT BREEDER

Suitable species

For breeding and short term maintenance of Rabbits and similar species

Benefits

- Excellent for both breeding and short term maintenance of growing and adult rabbits.
- High fibre enables it to be fed without hay.

Ingredients

Wheatfeed, Barley, Grass Meal, Oat Hulls and Bran, Wheat Bran, Sunflower Extracted, Dehulled Extracted Toasted Soya, Vitamin and Mineral Premix, Whey Powder, Soya Bean Oil.

(Ingredients may be subject to change due to seasonal availability)

Feeding recommendations

Normally fed to appetite but rationing the diet can also be practised.

May be fed supplemented with hay but it is not necessary.

Additional information

Over long periods of use rabbits may show excess weight. Rabbit Maintenance diet can be used to reduce this weight gain.

Calculated analysis

(Unless otherwise stated nutrients are expressed as total calculated levels)

Moisture	%	10.00
Crude Fat	%	3.23
Crude Protein	%	16.55
Crude Fibre	%	12.25
