

Suitable species

For maintenance of Rabbits and similar species

RABBIT MAINTENANCE

Benefits

- High fibre enables it to be fed without hay.
- High fibre content, low protein diet specifically formulated to prevent animals gaining excess weight over long periods of time.

Ingredients

Oat Hulls and Bran, Grass Meal, Barley, Wheatfeed, Wheat Bran, Dehulled Extracted Toasted Soya, Vitamin, Whey Powder and Mineral Premix.

(Ingredients may be subject to change due to seasonal availability)

Feeding recommendations

Normally fed to appetite but rationing the diet can also be practised.

May be fed supplemented with hay but it is not necessary.

Additional information

Can be used in conjunction with Mazuri Rabbit Breeder.

Calculated analysis

(Unless otherwise stated nutrients are expressed as total calculated levels)

Moisture	%	10.00
Crude Fat	%	2.96
Crude Protein	%	13.84
