TYRES

Play ring, run or feeder

Use this toy creatively and uncover endless possibilities – a floating play-thing for aquatic animals, a curved run for smaller land animals or a custom-made feeder. This multi-function tyre can be cut easily and leaves no sharp edges. Take one to your next team meeting and explore its many enrichment uses

Available in 19" and 24" (48cm or 61cm) diameters.

Construction

Standard rings are completely enclosed with a permanent seal; removable threaded metal plug available on request.
